Please lift up Sheldon Ellis, who has been sick lately and the sickness has moved into his lungs and he is having a difficult time with his recovery. Please pray for healing for him and for a quick recovery. Bob Darden's brother, Paul had his leg amputated late last year and was progressing well. He fell on his newly amputated leg, breaking it open and exposing the bone. He had surgery again to repair the damage. Pray he will be able to heal quickly and get back on track to complete healing. Thanks for always praying for him. Please lift up Melissa Thompson in your prayers. She has been having severe migraines again and has received Botox injections for them. Please pray that the injections work to take away her migraines. Pray also for her mental well-being during this difficult time and for relief of from the constant pain. Stephen Davis (Son of Lorna and James Davis) who is a police officer in Bryan, Texas. Stephen had colon surgery last two weeks ago. He was out of the hospital, but has now been admitted back in with a fever and has been diagnosed with the flu. Please pray for healing for Steven, that the doctors are able to minimize the symptoms from the flu, pray for strength and comfort for him and his family. Please lift up Bill Ledbetter in your prayers. He was rushed to the hospital on Monday. The doctors have finally determined he has a lung infection. Please pray for peace and comfort for Bill, that he is able to calm down, wisdom for the doctors, and strength and comfort for his wife Rhonda and the rest of their family. Please also lift up Rhonda Ledbetter who has the flu. She has other medical issues and is not able to take the regular flu medications, so please pray that the treatments she is taking will be effective and that she is able to get over the flu quickly. Please also pray for strength and comfort for Rhonda while she is sick and her husband is in the hospital. Please lift up Lisa Williford's mom, Carolyn Pettey, in your prayers. She is in the hospital and has been diagnosed with ischemic colitis. The doctors do believe that she will be able to recover. Please pray for wisdom for the doctors, for healing for Carolyn and for peace and comfort for Lisa, her sisters, Susan and Lynn, and the rest of their family. Nancy Lorensen has asked for us to pray for her mother Marilyn Straughan. Marilyn is 83 years old and is caring for Don Gilbert who is 89 and is on hospice. Marilyn is weary and Don is having some tough days. If you could lift up Marilyn and give her strength and comfort.

***Those who have cancer and for their families and caretakers:**

Debbie Pool's Leukemia is in remission at this time. Pray for continued good health). Please continue to pray for Beth Primm. Her scans are due next Tuesday, Feb. 6th. Pray that they are all clear. Also pray that a vein in her leg which was involved in her surgery last year that has collapsed. Please pray that it will heal with the non-invasive treatment the doctor has prescribed. Please pray for strength, peace, and patience for Beth, Todd and their family, and that the end result is a complete cure. Please lift up Sarah (Nana Rodgers granddaughter) in your prayers. She finished her radiation a several weeks ago. Praising God that the treatment has put her cancer into remission. She wants the church to know how much the prayers help her and is thankful for those who pray. Please continue to lift up Laura English's great nephew, T.J. in your prayers. He is 34 years old. He has his last chemo treatment last week and then will have scans in early February. Pray that it has reduced the tumors and no more have appeared. The treatments get harder to tolerate with each one. He was married recently. Pray that the chemo will cure the cancer and they will have a long and happy marriage. They live in the Corpus Christi area. Please lift up Gloria Bauer in your prayers. She had surgery to remove a cancerous lump from her breast several months ago. Pray that the treatment that she is taking now will be what God uses to cure her. Pray for few side effects and peace for Gloria and her family. Nana Rodgers was diagnosed with early stage breast cancer about 8 months ago. She has completed her radiation and had tests on her other breast which showed no cancer. Nana is taking a cancer prevention medicine which is causing her stomach problems. Also, she is having kidney problems again. Please pray for a solution for both of these problems. Please pray for a complete healing for Nana and for peace for her and her family. She is so thankful for your prayers. Craig and Cindy Clark's daughter, Jennifer had surgery several months ago to remove a vertebra which was cancerous. The family is specifically asking for us to pray that the hormone replacement therapy drugs starve the estrogen which is fueling the cancer. Jennifer's report from her recent scans looked really good according to her doctor. All of the tumors have shrunk. Praising the Lord for His protection of Jenn and this wonderful report. Please continue to

pray for complete healing for Jennifer and for strength and comfort for Jennifer, her husband and family. The family is thankful for all of the prayers and encouragement. Please continue to lift up one of our youth, John Michael Adams, who was diagnosed with a rare form of cancer late last year. He had surgery and the doctors think they got all of the tumor. John Michael has recovered well, but won't know if his cancer is completely gone until testing in March. Pray that the cancer is gone and for JM to have a lifetime cancer free. Please lift up Scott Brennan's mom, Kathleen. They found a tumor on her colon which was removed Jan. 10th. The surgery went great and the tumor wasn't as bad as the doctors had thought. There are no plans for any further treatment at this time. Praise God for this great outcome. Lydia Montgomery asked us to pray for her friend Toni's mom, Marcella Parks who had surgery for uterine cancer and had a full hysterectomy late last year. The surgery was successful and she is tolerating the chemo well. Pray for strength and comfort for Marcella and her family as they undergo this path to cure her completely. Please lift up Bill Waldon, who has throat cancer and was taken to the VA in Houston. Please pray for God's will be done and for peace and comfort for his family. Terry Coleman is asking prayers for her friend Pat Hogan, who has cancer that has spread throughout his body. He will begin chemo treatments next week. Please pray that the chemo will work, pray for comfort and peace for Pat and his family and for wisdom for the doctors.

***Those with heart problems:** Please lift up Don Keil in your prayers. Pray that God will strengthen his heart, that his doctors will treat him correctly, and that Don will have more energy to do the things he wants to do. Please pray for God's continued protection over Donn Seale. He is doing well. Please pray for Don Gilbert. He has been placed under long term Hospice care. He is on oxygen full time and his heart is very weak He has been having some bad days recently. Pray for comfort for Don, his family and friends, especially Marilyn Straughn, his friend and caregiver. They are thankful for your prayers. Andrea Shafer is asking for prayer for her dad, dad Farrell Eldredge. He has fallen once again and has broken ribs and a mild concussion. He can barely walk even with a walker. He will be admitted to Health South and they will work with him on his motor skills as well as testing. The doctor feels he has dementia, something that can't be cured. Please pray for him, he's so confused at times and then he's fine. They are concerned of his temperament. You are my family and I would appreciate all your prayers for my dad during this difficult confusing time for him.

***Those with other health issues:**

Please lift up Evelyn Neagle in your prayers. She got a C Pap recently and it has helped her to get some rest. She still has many other health problems and spends lots of time in bed. Please pray that her doctor can help find some comfort for her. Also, pray for Aleck as he cares for Evelyn. Please keep GayNell Blackstone in your prayers. She is feeling better. Her stomach is doing well and she has done well with her physical therapy. Her worst problem at this time is her memory. Pray it will improve and she can enjoy

her life now that she is feeling better. Pray for peace and strength for Kathy, her daughter, who cares for her. Please continue to lift up Don and Elizabeth Gibeau's daughter, Tara, in your Prayers. Tara had surgery to remove a tumor on her spine a few months ago and another surgery recently to remove another one on the back of her neck. Her biopsy was negative for cancer. Please continue to pray for Tara, for wisdom for the doctors, that they can figure out why she is getting these tumors and how to stop them, for a successful surgery, for complete healing for Tara, also for strength and comfort for her, her husband, children, and family. They are thankful for your prayers. Opal Anderson, Terri Coleman's mother, has improved and has been moved to the Lexington in Huntsville. Please pray for Opal's continued healing and peace. Don Gibeau had testing for the severe and long-term acid reflux that he has had and they found that he has a hernia in his stomach. He will be having surgery on Feb. 16th to repair the hernia. Pray for peace and comfort for Don, Elizabeth, and their family, and pray for a successful surgery that will put a stop to the acid reflux. Please continue to pray for Khrystal Rodriguez (the Vaughn's niece, that all her wounds will continue to heal, that her therapy goes well, that mentally she stays strong and positive. Please be in prayer for Kurt, Laura English's son. He is 49 years old and has recently been diagnosed with Parkinsons. Pray for the doctors to get his medications regulated so that he can function and pray for peace for Kurt and his family. Also, Laura English has asked for prayer for her friend's grandson, Blaine. He is autistic and is now 14 years old. As He has grown older, he has become harder to control. Pray for answers for their family as they face these new situations and give them peace as they deal with decisions they face. Please continue to pray for Joan, Don Ortloff's sister. She had back surgery on August 17th and is still having difficulty and pain. Pray that she will feel well again soon. Please continue to pray for Tammy (a friend of Nana Rodgers) and her husband, Rick, who has been recovering from suffering 3 strokes. He is now at home and doing better. The doctors did a surgical procedure on one leg which helped with his pain, and hope to do the other leg at a later date. They live in Trinity, but would be much better off living in Huntsville. Please pray God will pave the way for that to happen soon. Pray for God to continue to hold up Tammy and help her in facing her many challenges. Please continue to lift up Aiden, Carrie and Bryan Mentz's baby boy. He is doing well now, but due to the circumstances of his birth, they are watching his development closely. Please pray his development continues to be normal and that with God's protection, he will never have any problems. Please pray for Caesar Thomas (Lydia Montgomery's nephew). He had a second surgery for blood clots. He is now at home recuperating. Please pray for no more complications and for a complete healing. Please pray for Marcia, DeeAnn Novakosky's sister. She fell and broke her hip and had some complications, but is now in a rehab facility and doing well. Pray for strength and comfort for Marcia, as she recovers. Please lift up Jesse Contreras in your prayers. He currently has kidney failure and is in St. Joseph's in College Station where they have
