***Those who have cancer and for their families and caretakers:**

Debbie Pool's Leukemia is in remission at this time. Pray for continued good health). Dawana Childs, Sarah McCurdy Childs mother-in-law, has been battling cancer for over a year. Please pray for emotional and spiritual strength for her and her family and that she will have a good quality of life in her remaining time. Please continue to pray for Mike Pace. His cancer is in remission. Pray it never returns. Continue to pray for Beth Primm. She is now recovering from her chemo and trying to get her body ready for the surgery set for Wednesday, July 26th. Pray for Strength and peace for Beth and her family as they continue this journey and pray that the end result is a complete cure. Farrell Eldridge, Andrea Shafer's dad was tested recently and was cancer free. Please pray for his memory to improve and that he will be able to enjoy his life. They are thankful for your prayers. Don Ortloff's friend, Mary Lou, CLL Leukemia. She is doing well but is on a medication that costs \$12,000. per pill. Pray that she can keep her insurance and pray for healing for her and pray for comfort and peace for her and her family. Also pray for Don Ortloff's niece's son, Levi, who is 7 years old. He has a small 1 cm tumor in his brain. He recently had an MRI which showed the tumor had grown some. They will be taking him to MD Anderson for a second opinion as to how to proceed sometime this summer. Please continue to pray for Levi. Pray for wisdom for the doctors that are caring for him and for comfort for Levi and his family during this time. Please lift up in your prayers Melissa Jarvis' sister, Nora. She has leukemia, which has depleted the white cells in her blood. Please continue to pray for Nora that her numbers will go up and that she can gain strength as she continues to fight the leukemia. She is still in the hospital. Please lift up Sarah (Nana Rodgers granddaughter) in your prayers. She is taking chemo (by pill). Pray that it does the job and that the side effects are minimal. She wants the church to know how much the prayers help her and is thankful for those who pray. Please be in prayer for Theresa Pendey's nephew's father-in-law. His name is Earl. He just found out that he has stage 4 pancreatic and liver cancer and is taking chemo at this time. Pray for healing and peace for Earl. He has a wife and five children. Please pray for this family. Please lift up in your prayers Ann Woodward-Castaneda. She is the daughter of Mac and LeAnne Woodward. Ann is currently seven months pregnant with a little boy and she has been diagnosed with breast

cancer. LeAnne has begun taking a series of four chemo treatments. Please pray that the treatments will do what is intended and will not cause harm to the baby, so that this baby boy that is due on August 8th will have a healthy arrival. After the baby is born, LeAnne will have surgery to remove the cancer. Pray for grace and strength for the family during this difficult time and that the end result will be a healthy mother and baby. Lindsey Salyer is asking for prayer for her neighbor, Arlene Duplantis and her family. On May 1st her mother was diagnosed with cervical cancer and while she was staying with Arlene for treatment, her house in Louisiana was struck by lightning and burned to the ground. Then two weeks ago Arlene's sister had an attack of appendicitis while staying with her to take care of their mother. Arlene has asked for prayers for them all as they travel to Houston for chemo and for healing. Please lift up in your prayers Larry Moore. Larry has been diagnosed with transitional cell carcinoma of the kidney. He had surgery scheduled on June 16th to remove his kidney and ureter. It does not look like the cancer has spread at this time. Please pray that the surgery was successful, for a good recovery with no complications, and for strength and comfort for Larry, Suzette and their family. Please lift up Alex Johnson's uncle, Robert Heffernan. He has been diagnosed with stage 4 lung cancer and it has metastasized into the pelvic bone. Please pray for peace and comfort for Robert and for Alex and the rest of their family.

***Those with heart problems:** Please lift up Don Keil in your prayers. Some tests were done prior to a procedure and blood clots were discovered in his heart and along the leads of his pacemaker/defibrillator. AV node ablation was done. Don's upper heart is still in afib but lower is pacemaker driven. This is "buying time" for the blood clot to dissolve. That should take about 6 weeks then they will try cardio version again to shock his heart back into a regular rhythm. His ejection fraction is very low still (10-15%); but the doctor is hopeful it will move up to 20-25%. Don is at home now but has little energy and life changes are needed to improve his overall health in the future. Please lift up Don in your prayers for healing, wisdom for the doctors that are caring for him and for comfort and peace for Don, Debbie and for their family. Please pray for God's continued protection over Donn Seale. He is doing well. Please pray for Diane King who had a stroke in early December. She is taking therapy and doing much better. She will be continuing with Physical therapy and our prayer is she will recover completely. Please pray for Don Gilbert. He has been placed under Hospice care. He is on oxygen full time and his heart is very weak. Pray for comfort for him and his family and friends, especially Marilyn Straughn, his friend and caregiver. They are thankful for your prayers. Don Orloff's friend, Keith, had a heart attack a while back and he will be having bypass surgery on June 20th. Please pray for protection for Keith during the surgery, pray for wisdom for the surgeons, and pray for peace and comfort for him and his family. Please pray for Gene Bybee's mother Myrtle who had a heart attack while in Michigan. Pray for healing and wisdom for the doctors.

***Those with other health issues:**

Please lift up Evelyn Neagle in your prayers. She is still having severe pain in her back and hip. Please pray that she will have more good days that she can enjoy life. Please pray for peace for Evelyn and Aelick and for complete healing for Evelyn. Nana Rodgers kidney infection has turned out to be an ongoing problem. Please pray for Nana, that her doctor will be able to prescribe the right medicine to keep it under control. Nana is so thankful for your prayers. Please continue to lift up Melissa Thompson in your prayers. Praise God, her migraines have been under control with the Invisalign system moving her teeth to the correct position. She is now suffering with a severe intestinal infection which is making her very sick. Pray that the treatment the doctor prescribed will correct the problem soon. Melissa is thankful for your prayers. Please keep GayNell Blackstone in your prayers. She has been diagnosed with Gastroparesis, which is an inability of the muscles in the lower part of her stomach to push the food she eats into her intestine. Pray for GayNell to be able to adjust to her new lifestyle, including a special diet and taking meds before she eats. Pray for healing and comfort for GayNell and peace and strength for Kathy, her daughter, who cares for her. Margie Willenberg had a serious surgery recently to remove a goiter. She is doing well but still has pain at the surgery site. She is also not to do anything that involves moving her arms. Please pray for the pain to subside and pray for Margie to have patience and peace as she heals. The cancer cells they found will be treated with radioactive iodine at a later time. Please pray for Betty Cleary (Cynthia McCurdy's mother). She is at home now and doing much better, although she needs to have someone with her all of the time. Please pray her living situation will be resolved soon so her family can take care of her without driving back and forth to her home. Cynthia is thankful for your prayers. Please lift up Shelly Marchand in your prayers. She is back in rehab. Please pray for her recovery from her addiction. Please pray for Byron Chambers, who was the manager at Jiffy Lube for a long period of time. He recently went into a long term acute care facility where he will get round the clock care while this fistula heals or until he can have surgery on it in 4 months. He will have IV antibiotics and IV nutrition constantly. He is awake, alert, and ambulatory, but still recovering from the abdominal surgery he had mid-April. Please pray that the treatment will heal him and he can resume his normal life soon. Please pray for Clint Willenberg. He has been running a fever and feeling ill for some time. He has finally been diagnosed with Mono. Please pray he will be able to overcome the symptoms of joint pain and weakness and get back to his normal life soon. Please continue to pray for Karen Altz. She had surgery recently to have a type of shunt placed into her brain. The surgery worked well and she has not had any more headaches. Please pray that her SS Disability application goes well as she will not be able to go back to her old job. Please continue to pray for Rhonda Goodin (Tiffany Goodin's mother). She had surgery last Wednesday and they were able to clean out the infection and put a wound vac in to control the drainage. The hole in the bowel (fistula) is too big to close right
