

Please continue to pray for Kristal Rodriguez (the Vaughn's niece, that all of her wounds will continue to heal, that her therapy goes well, that mentally she stays strong and positive. Please also pray for them to find a vehicle. They are currently in a little sedan and they really need something bigger to carry Kristal's wheelchair and walker. Carrie (Keil) Mentz and baby, Aiden are both at home now. Please pray for Aiden to have no side effects from his difficult birth and to develop into a perfectly healthy child. Pray for Carrie to continue to heal and know they are so thankful for what God has done to protect both mother and child up to now. Praise God for his care and love for this beautiful family. Please be in prayer for Kurt, Laura English's son. He is 49 years old and has recently been diagnosed with Parkinsons. Pray for the doctors to get his medications regulated so that he can function and pray for peace for Kurt and his family. Also, Laura English has asked for prayer for her friend's grandson, Blaine. He is autistic and is now 14 years old. As He has grown older, he has become harder to control. Pray for answers for their family as they face these new situations and give them peace as they deal with decisions they face.

## Prayer Requests (11/19/17)

**\*Praise for Who God is.**

**\*Pray for Our country's leadership: For Godly wisdom and direction**

**College Ministries: Campus Outreach, CRU, FOHC College Ministries (David and Jennifer Jones)**

**Restore Texas Ministries:** Our mission is to equip men to succeed in life by discipling them in Christian character and training them in skilled work. Pray that God will continue to provide for their needs. Contact Monte Robinson if you have any work they might be suited for.

**\*Those who have cancer and for their families and caretakers:**

Debbie Pool's Leukemia is in remission at this time. Pray for continued good health). Continue to pray for Beth Primm. Please continue to pray for healing for her as it will be a long process. Please pray for strength, peace, and patience for Beth, Todd and their family, and that the end result is a complete cure. Praise God! Her first check-up showed no cancer. To God be the glory for this miracle. Please lift up Sarah (Nana Rodgers granddaughter) in your prayers. She finished her radiation a few weeks ago and will see her radiologist next Tuesday. Pray that the treatment has put her cancer into complete remission. She wants the church to know how much the prayers help her and is thankful for those who pray. Please lift up Alex Johnson's uncle, Robert Heffernan. He has been diagnosed with stage 4 lung cancer and it has metastasized into the pelvic bone. He finished his experimental chemo treatment and his radiation. He will go back in December for a full body MRI. They are praying for some good news at that time. Continue to pray for healing and peace for Robert and for Alex, Mary Ruth (his mother), and the rest of their family. Please continue to lift up Laura English's great nephew, T.J. in your prayers. He is 34 years old and had a blockage removed from his colon which was malignant and had spread to two of his lymph nodes. He has been taking chemo for a while and is doing well. He was married recently. Pray that the chemo will cure the cancer and they will have a long and happy marriage. They live in the Corpus Christi area. Please lift up Gloria Bauer in your prayers. She had surgery to remove a cancerous lump from her breast a few months ago. Pray that the chemo and possibly radiation treatment that she is taking now will be what God uses to cure her. Pray for few side effects from the chemo. Nana Rodgers was diagnosed with early stage breast cancer about 3 months ago. She is in the midst of a series of radiation treatments due to finish toward the end of November. Please pray for a complete healing for Nana and for peace for Nana and her family. She is so thankful for your prayers. Craig and Cindy's daughter, Jennifer had surgery recently to remove a vertebra which was cancerous. The surgery went very well and the doctor didn't see any more spots, which means they are very small (microscopic). The family is specifically asking for us to pray that the hormone replacement therapy

drugs starve the estrogen which is fueling the cancer. Please continue to pray for complete healing for Jennifer, for wisdom for the doctors as they make treatment plans for her, and for strength, comfort and peace for Jennifer, her husband, Craig & Cindy, and the rest of the family and friends. Please lift up Tammy McGinty in your prayers. She was diagnosed with breast cancer and had a lumpectomy recently. Tammy's surgery went well and the lymph-nodes look good at this time. Please continue to pray for healing for Tammy and for peace and comfort for her and her family. Please lift up one of our youth, John Michael Adams, who has been diagnosed with a rare form of cancer. He will see his oncologist on Nov. 16<sup>th</sup> and Praise God, no more cancer was detected in his chest area. The surgery is scheduled for Wednesday, November 22<sup>nd</sup>. Please pray for wisdom for the surgeons, that they are able to remove all of the cancer, that the cancer does not come back, for John Michael's recovery to be short and the pain to be manageable, for peace and comfort for John Michael, Brandy, Autumn, and the rest of the family and friends. Sean Sullivan, a co-worker of Jeff Sanders who works at a prison in Palestine, is getting moved to hospice. Sean is a follower of Christ. He is in his early 40's with an untreatable form of cancer. He is married, and has a 5 month old son. Please pray for God's will— healing and peace for him and his family.

**\*Those with heart problems:** Please lift up Don Keil in your prayers. Pray that God will strengthen his heart, that his doctors will treat him correctly, and that Don will have more energy to exercise and do the things he wants to do. Please pray for God's continued protection over Donn Seale. He is doing well. Please pray for Don Gilbert. He has been placed under long term Hospice care. He is on oxygen full time and his heart is very weak, but he would still enjoy visitors (call before you visit). Praise God, he was able to celebrate his 89<sup>th</sup> birthday recently. Pray for comfort for Don, his family and friends, especially Marilyn Straughn, his friend and caregiver. They are thankful for your prayers.

**\*Those with other health issues:**

Please lift up Evelyn Neggle in your prayers. She did a sleep study recently and will be getting a C Pap machine. Pray that it will help some of her problems and that she will feel better soon. Also, pray for Aleck as he cares for Evelyn. Please keep GayNell Blackstone in your prayers. She is feeling better. Her stomach is doing well and her UTI is finally cured. Continue to pray for healing and comfort for GayNell and peace and strength for Kathy, her daughter, who cares for her. Please lift up Cody Cox who is a 25 year old young man who had a kidney transplant when he was 13. His kidney began to fail last year and he is now on dialysis four times a week. His mother had to quit her job in order to care for Cody, which has caused a financial strain on their family. Please pray that if it is God's will that Cody be healed, please also pray for the needs of Cody's mother, and pray for their salvation. Cody has an appointment with a kidney specialist soon. Pray this doctor might have some answers for his problems. Jim Burnett had his eye checkup with his surgeon last Monday. He was hoping for a glasses prescription that would

correct his vision, but his glaucoma pressure was up so he has to wait another month. Pray that his pressure is down then and he will be able to get new glasses. Please continue to lift up Don and Elizabeth Gibeaut's daughter, Tara, in your Prayers. Tara had surgery to remove a tumor on her spine recently. Her biopsy was negative for cancer. Tara had additional scans and an appointment last week. They found more tumors, one small tumor in her brain that they will monitor right now because it doesn't seem to be causing any damage, another tumor on her hip that she will be seeing a specialist about. The surgery to remove a tumor on the back of her neck is scheduled for Wednesday, December 6<sup>th</sup>. Please continue to pray for Tara, for wisdom for the doctors, that they can figure out why she is getting these tumors and how to stop them, for a successful surgery, for complete healing for Tara, also for strength and comfort for her, her husband, children, and family. They are thankful for your prayers. Melissa Thompson has suffered from migraine headaches for many years. She is wearing Invisalign to fix her bite and to help with TMJ. She is taking Botox injections that her lessen the duration and pain from her migraines and she is sleeping with a C Pap which is also helping. Please pray that taken together and in time, her headaches will subside. Pray God's healing will come soon for Melissa. Please pray for Bob Darden's brother Paul. He has had four knee replacement surgeries on the same leg because of infections, and on Nov. 15<sup>th</sup>, he will have an amputation of that leg. Pray that the surgery goes well and he has a good recovery and adjustment. Billie Wooley has been in the hospital suffering from an infection in her big toe that moved into her bone. She will be in Cornerstone Rehab in Conroe (room 105) until the first part of December. Please continue to pray for healing for the infection in her foot, for guidance for the doctors, that the infection does not spread, and for peace and comfort for Billie and her family. Please lift up Chris and Lindsey Ellis. Lindsey was on life support for 25 days in Huntsville Hospital, and now has been moved to ICU in Cornerstone in Conroe. Please pray for wisdom for the doctors that are caring for her, complete healing for Lindsey, peace and comfort for Chris, her children, and their family and friends. Opal Anderson, Terri Coleman's mother, is still at Cornerstone in Conroe, but is now in a regular room. She is still very weak and suffering from a lot of back pain, but is improving slowly. Please continue to pray for Opal for healing, and for peace and rest for Terri and Max all of her family. Please lift up Don Ortloff's mother, Opal, she is having trouble swallowing and was admitted to the hospital yesterday. Please pray that they can figure out what is going on and that they are able to correct the issue so that they do not have to put in a feeding tube. Pray for strength and comfort for Opal and for Don and their family. Don Gibeaut had testing for the severe and long term acid reflux that he has had and they found that he has a hernia in his stomach. He has an appointment on Monday to schedule the surgery to remove the hernia. Pray for peace and comfort for Don, Elizabeth, and their family, and pray for a successful surgery that will put a stop to the acid reflux.
