

# Fabric Requirements

3/4 yard for body of pillowcase

1/4 yard for cuff of pillowcase

1 1/2 inches for accent band (optional)

Note: if you choose not to add the accent band, just ignore any references to it throughout the instructions.

**DIRECTIONS:** Trim the body and cuff pieces straight along raw edges.

- 1- Press the 1-1/2" wide accent strip in half lengthwise, right side facing out. Strip is now 3/4" x WOF. (optional)
- 2- Trim all pieces to the *same width* (approx. 42-43" wide). *This will trim off the selvages.*
- 3- Place the cuff strip right side up on the table.

- 4- Place the body right side up on top of the cuff. Match the upper raw edges flush with each other.

- 5 Place the accent band on top of the body (again flush at upper raw edges). Pin to secure layers.

- 6- Roll the body toward the upper edge stopping a few inches from the raw edges.

- 7- Bring the cuff up and over the rolled body. Line up the raw edges and re-pin to secure.

- 8- Sew along the upper raw edges using a 1/2" seam allowance.

- 9- Pull the body out of the tube formed in step 8. Press the cuff away from the accent band.

- 10- Fold the pillowcase in half (right side out) bringing the raw edges flush. Pin to secure layers.

- 11- Sew down the raw edges (L shape) using a 1/8" to scant 1/4" seam allowance.

- 12- Turn the pillowcase wrong side out. Press the edges pushing the seam allowances to the edge. Sew the same L shape sewn in step 11 but this time use a 3/8" wide seam allowance.

- 13- Turn right side out, press and enjoy!

**NOTE:** Please read the entire pattern carefully. Every effort has been made to ensure the accuracy of this pattern. Use a 1/4" seam allowance unless otherwise stated. Measure your quilt before cutting border strips. Make adjustments as necessary. © Copyright Connecting Threads ®. All rights reserved. For private, non-commercial use only.
